MEMORANDUM OF CONVERSATION

SUBJECT: Section 45 Production on Communist Countries

25X1A9a

On the basis of a request from [REDACTED] DD/OSI, to establish DIA's willingness to undertake the production of Sections 45 on the Bloc countries, I called [REDACTED] on 19 September and put the proposition of DIA's assumption of production responsibility to him. His personal opinion was that the group responsible for the production of Sections 45 would be more than willing to undertake this additional work, but that he would have to get the official approval of DIA's production management before he could give me an answer. This he agreed to do and will call back as soon as possible.
